**All attendees are respectfully requested to ensure portable electronic devices are switched to silent mode while the meeting is in progress.**

The parish council has convened this extraordinary meeting to consider how it should respond on behalf of its parishioners to the draft Ashford Local Plan to 2030.

**There will be an Open Forum to allow parishioners to provide their views.**

Whilst the focus will inevitably be on Policy S41 (the Mulberry Hill site which states that "Land on Mulberry Hill is allocated for "exclusive" residential development of up to two dwellings.") there are also a number of other policies including those dealing with many relevant topics, including economic development, transport, the natural environment and community facilities.

**The relevant documents can be viewed online through the consultation portal [www.ashford.gov.uk/consult](http://www.ashford.gov.uk/consult). They are also available at Ashford Borough Council, Civic Centre, Tannery Lane, Ashford.**
