

CHILHAM PARISH COUNCIL

Minutes of the Meeting of the Council held via Zoom Remote Meetings

on 5th November 2020 at 7.00 pm public Forum/7.30pm Meeting

Present: Councillors: Cllrs Marriott, Martin (Chair), Meaden and Schofield

Also, present Cllr Charles Dehnel (Ashford Borough Council), Caroline Vincent (Clerk to Council), 14 members of the public.

11/1. APOLOGIES FOR ABSENCE

There were no apologies.

11/2. MINUTES

The minutes from the meeting held on the 1st October were circulated to members. One amendment on page 2 from Cllr Dear to Cllr Meaden.

RESOLVED: That the Minutes of the meeting held on 1st October be approved as a true and accurate record and signed by the Chair, all members agreed.

11/3. ACTIONS ARISING FROM THE MINUTES

The list of actions were circulated to members. The first item outstanding is 8.7, Cllr Marriott reported that Speedwatch is now up and running and that the cost of a traffic survey would be £350-£550 for Branch Road, which was felt should be funded by the developer. Our Ward Member Charles Dehnel agreed to clarify this.

The second item outstanding is 8/14 the Youth Council/ASB meeting, this has been carried forward as CPC is still recruiting youth members, COVID19 is currently holding this back. Cllr Schofield suggested a Zoom meeting for the ASB issues to have an update on the situation. This item will remain on the actions list.

11/4. DECLARATIONS OF INTERESTS

Cllr Martin declared an interest in item 11/9 for application 20/01311/AS - Badgers Hill Farm, due to dealing with the applicant through the Federation of Small Businesses which she works within a self-employed capacity.

11/5. BOROUGH COUNCILLOR REPORT

October was been a busy month with 20+ cases open for Chilham, OWL and Shottenden alone. A summary of key activity below.

Planning

1. Mulberry Hill - Design South East report is now published and is marked as confidential so I am awaiting a response on what can be shared. As it is the report is not on the planning portal so I await confirmation on what can be shared.
2. I have also received confirmation that several applications have been confirmed as called in as requested by the Parish Council

Trees

1. I have received emails from residents in relation to the cutting back/down of trees in OWL but I see this is an agenda item so wont dwell here.

1 Signed by the Chair: Date:.....

2. On Herons Close I have received requests from Residents that the Large Lime Trees be surveyed. I understand this is already progressing so I have followed up with Aspire to get confirmation of the date of the survey and if this can be sped up considering the high winds we have and are likely to continue to experience. I understand from residents the desire is not to have the trees removed but kept in check to lower the risk.

Handyman

1. I followed up with ABC and Wittersham as promised and both confirmed they would be more than happy to address this Parish Council if asked (Caroline I think they have reached out to you?). Key points from Wittersham were: 1. Be very careful and considered in who you engage to carry out the role, but they did have difficulties to start with until the right person came along - the key trait is a "self-starter". 2. Build in a reserve for ongoing maintenance. 3. Consider the option of Clustering with other Parish Councils. 4. You may consider approaching KCC for additional funding but this is not a cert.

And then finally, Hawkings Rough

1. Further site visits have been carried out and the enforcement process is following due process. Regrettably, the officer handling this case is leaving ABC as of tomorrow and I have requested a meeting with Officer taking on the case to impress the need to keep this case moving forward. I am assured this is high on the priority list.

11/6.DISPOSAL OF TREES DONATED BY ABC

Cllr Martin reported that ABC had donated several trees in March this year as part of their project to reduce carbon emissions. Cllr Meaden said he currently has the 20 trees planted in his garden ready for them to now be planted elsewhere as this time of year is best for planting them, but ideas are needed for where to plant them. It was suggested this be added to social media to ask residents which public shared spaces should the trees be planted and to then decide at the next meeting. Also whether some could be donated to the winery for additional screening, Cllr Dehnel was asked to seek clarification from ABC to check that this was acceptable.

Cllr Martin recommended to members that an audit of all CPC trees be arranged and to then have a tree surgeon survey them to put together a tree management plan.

Action: Cllr Martin to invite residents for ideas of where best to plant the trees and Cllr Dehnel to clarify if some could be donated to the Winery, all members agreed.

11/7. STORAGE FOR PARISH COUNCIL DOCUMENTS

Cllr Martin spoke to members about the boxes of CPC paperwork from over the years, along with other items which need a storage solution. The Clerk had found a local secure storage facility which would cost approximately £440 per year, around £44 per month. Once all boxes have been catalogued and sorted, they could then go into storage.

Action: Cllr Martin proposed that the Clerk find out further details of the storage and availability and for the boxes to be stored at the facility, members unanimously agreed.

11/8 THE MOUNT ANNUAL MAINTENANCE

The Clerk had been asked by organisers of the Mount Annual Event if CPC could still provide funding as previously agreed last year to cover some of the costs and refreshments of the 2 day maintenance on the Mount and around the Beacon. Members felt CPC should not support this at the moment due to lockdown and huge additional costs incurred recently.

Action: The Clerk to respond to the request that due to COVID19 and huge costs to CPC, we would not be able to make a decision now but to come back to CPC at a later date.

11/9. PLANNING

Members considered the following applications.

20/01190/AS - Tudor Lodge Gift Shop, The Square, Chilham, Canterbury, CT4 8BY - Change of use of part commercial/residential to residential/dwelling only.

2 Signed by the Chair: Date:.....

11/9a HARVEST HOUSE

Cllr Martin thanked Mark Hobday, Derrick Kennett and Rob White for producing an excellent report on improving road safety, a lot of work and effort has gone into producing this.

Action: Cllr Martin proposed for Mark Hobday to present the report at the next public meeting, the Clerk to write to co-authors to ask when this would be convenient.

11/10. FINANCE & GOVERNANCE

Cllr Marriott spoke about the S106 tractor payment from the October meeting, he felt this was not the best use of S106 funding and wanted clarification that other quotes including one from a local company had been sought as £11,100 seems to be a lot of money for this item. Cllr Marriott had contacted the S106 officer at ABC but had not received a response. Cllr Martin asked if Charles Dehnel could get some clarity from ABC as to how the process was dealt with, were other quotes obtained? Was the local supplier approached? Should there be a reimbursement?

Action: Cllr Marriott to forward his research and emails to Cllr Dehnel.

Cllr Martin raised the issue with the high water bill from Castle Hill for THT. On investigation by the Clerk, the meter had not been read for a year and a reading was then provided in June this year causing the previous estimated bill to be underestimated. It has been recommended the readings are now undertaken on a monthly basis for a more accurate bill and for this to be set up on DD.

- a) To consider a report from the Clerk and agree payments, a payments list with invoices was circulated to members.

<u>Name</u>	<u>Description</u>	<u>Amount (£)</u>
G Dear	McAfee Subs 2019	89.99
Record	Annual Inspection of Doors at THT	261.00
C Vincent	Phone Sim Reimbursement	10.00
A Groombridge	August Mowing	320.40
A Groombridge	September Mowing	320.40
C Vincent	Postage costs reimbursement	11.76
Itseeze	Email/Website subs	55.20
C Vincent	EE Mobile Final Charges	11.41
Laser (KCC)	THT Toilet Energy Supply	137.30
Victory Cleaning	Cleaning/Supplies for THT	574.07

4 Signed by the Chair: Date:.....

Hartlee	Storm Damage to tree	336.00
Hartlee	Tree Maintenance in OWL	1416.00
Hartlee	Annual Maintenance Costs First Half	468.00
C Vincent	Wages	796.01
Castle Water	Water & Wastewater for THT (1.06.19 to 30.09.20)	1929.76

Resolved: Members approved all payments; the list will be signed by 2 members when possible.

11/11. CORRESPONDENCE

1. KCC – Salt Bags, do we require these and details of where to be delivered.
Action: The Clerk to contact KCC to find out how this is being delivered and CPC does not have any storage for such a large bag. Cllr Martin to add an item to social media to ask if residents have a salt bin near by and if any need replacing.
2. KCC – Traffic survey for Bowerland Lane, do we wish to go ahead? CPC to fund the survey. Residents had previously brought to our attention about cars speeding along Bowerland Lane and had asked about a reduction in speed to 20mph, this had been put forward to KCC as part of their HIP (Highway Improvement Plan) programme but CPC have to contribute.
Action: Cllr Marriott suggested to put a note through residents’ doors in this area asking if they would like us to go ahead with this and advise there is a cost to the parish.

11/12. COUNCILLOR TRAINING

Cllr Martin suggested to members that it may be time for some training to include Planning, Finance and Public Engagement. If members had any other training requirements to let the Clerk know.
Action: The Clerk to look at virtual training available and dates.

11/13.ELECTION/VACANCIES

Cllr Martin explained that due to resignations in June and not being able to co-opt as 10 or more residents called for an election to fill the vacancies and the same residents called for an election for Richard Spencer-Tanners vacant position has meant that the 5 vacancies can now not be filled until May next year by the election. Cllr Marriott expressed his concerns of the cost of the election having to be added to the budget for the precept next year which will be around £4,000.
Action: The Clerk to seek clarification as to what would happen if 6 people do not apply and to put this forward to the next meeting.

11/14. VILLAGE HALL PARKING

As per the public forum Jane Marriott explained that during her time as a Borough Councillor, she had arranged for 2 parking spaces to be reserved at the OWL Village Hall carpark for people using the green.
Action: Cllr Dehnel to be provided with a summary sheet to enable him to find out if 2 spaces had been allocated by ABC and for the Clerk to start discussions with the Village Hall Committee.

11/15.CHANGE OF NAME

In a bid to bring Chilham, Shottenden and Old Wife Lees closer together and feel more inclusive it has been suggested to change the name of Chilham Parish Council. The Clerk has started to investigate how this could be done via ABC, there would be a public consultation and it would not be changed if residents were not in favour of this. A Governance Review is due next year, and ABC said

5 Signed by the Chair: Date:.....

they could action the name change as part of this and would be in place by the end of 2021 or we could action ourselves.

Action: Cllr Martin proposed information be added to the first newsletter, a campaign on social media and to send out a questionnaire to residents.

11/16. DATE OF NEXT MEETING

Thursday December 3rd at 7pm.
