Leadership In The Youth Representative and Assistant Youth Representative -Context

Module Name:Youth Representative and Assistant Youth Representative E- Training Programme

Module Number/Code:778/002/LM-/ Leadership / REP/Asst REP

Module Subject/Topic: Leadership in the Youth Representative and Assistant- Youth Representative Context

Building skills starts with a strong foundation of knowledge and understanding. Our content is accessible, bite-sized, and engaging—to build your learner’s confidence and inspire them to look deeper.

For decades people have been trying to figure out whether great leaders are born with innate leadership skills or if you can develop people into leaders. Recent scientific studies suggest that leadership is 30% genetic and 70% learned. These findings propose that leaders are made not born 12th July 2020

LM. July 2021

Assignments

(a) In no more than 500 words write an account of leadership practice, giving examples of 'leadership qualities' and 'leadership styles'.

(b) Provide and illustrate a scenario in which you have either yourself experienced having authority in a leadership role or where you have observed this with others.

Course Project

You have been asked by your Manager to carry out a survey recording the categories of customers who use your Sports shop business. He has also asked you to make an account of the best practice you would implement in regard to the following factors: style, authority, accountability, responsibility, and you are also to make clear suggestions of leadership theories that you regard as most effective in delivering the sport shop services to the group of clients that you serve.

This task is to be completed in no more than 1000 words and can be augmented by including a variety of materials to complete the task including: audio, video, statistics, photographs and text. You should complete the first part of the assignment in no more than 500 words: the second part of this assignment about the (Leadership theories) should also be completed using a minimum of 500 words.
